

The Lost Secret

by Rick Suarez

Not just a book...it's a journey.

Research shows 20 million people who love God have left church, and millions more who attend are dissatisfied...they feel something is missing. They are all asking the same questions: "Where's God's love?" and "Where's God's power?"

Author Rick Suarez, a former atheist who found Jesus, went on an unplanned spiritual journey as he asked the same questions. He discovered a secret that had been lost for 1600 years that unlocks God's love and power.

Suarez reveals his discovery in *The Lost Secret: A Spiritual Journey*. It is being called a "un-book" because there are no words on the cover and an archaeological adventure map serves as the table of contents. It contains 21 original oil paintings and 28 sketches to visually propel readers on a breathtaking journey to a lost world of God's love, power and blessing. *The Lost Secret* journey really can't be described, it must be experienced...so join the journey!

The Lost Secret has been featured on TBN's international Praise the Lord broadcast, and the author, Rick Suarez, speaks at churches, conferences, and is a frequent guest on television and radio programs.

The Archaeological Adventure Map pictured to the left serves as the book's Table of Contents. It is just one sample of the beautiful original art contained in *The Lost Secret*.

Former Atheist Businessman Finds Jesus...
Takes Unplanned Spiritual Journey...
Now Shares Discovery in Full-Time Ministry

Rick Suarez was born the son of a blue-collar worker and raised a devout Catholic. He became an atheist at the age of 18, and by the time he was 23, he started a company selling horoscopes and was a millionaire. Even with all this success, Rick was not happy.

Through God's grace, Rick returned to the Lord when he met his wife, and accepted Christ after a life-changing experience in the mountains of Jackson Hole, Wyoming. He struggled to keep his commitment to the Lord because of his wealth and wild lifestyle. But finally in 1986, Rick whole-heartedly surrendered. He and his wife literally burned their multi-million dollar horoscope business to obey God. The other part of his business took off, but strangely enough, instead of his life getting better, things got worse!

The conventional Christianity that Rick knew was not working, and his unplanned spiritual journey began. After a period of fiery trials and great loss in health and finances, he had another encounter with the Lord...this time, at an Applebee's restaurant. Here, the Lord directed Rick to write a book to share the secret of His love and power, which had been lost for 1600 years.

Now, after devoting 8 years of his life writing and publishing *The Lost Secret*, this former atheist and prominent businessman is in full-time ministry. Rick is committed to sharing the message contained in *The Lost Secret* with as many people as possible. He is the founder of Fresh Start Ministries and he and his wife of 32 years, LuAnn, reside in Northeast Ohio. They have four children, a son-in-law, daughter-in-law, and a grandson.
